# Holly Creek Retirement Community

Holly Creek is a retirement community with residents in Independent Living, Assisted Living, Skilled Nursing, Memory Care and Short-Term Rehabilitation.

Please park along the street (white area on map above). There might be “Fire Lane” signs, however, the facility confirmed that cars are allowed and can park along the street. The entrance for clinicals is actually at:

**5590 Peakview Avenue**

We will meet outside at the main entrance; please do not go into the building individually; it is a locked community, and the staff prefers that we all enter together.

*An important note about the words we use:*

*Also, please do not call the residents ‘patients’ or call the communities ‘facilities or units’. This is their home. They are not in a hospital. Thank you.*

**5500 E PEAKVIEW AVE, CENTENNIAL, COLORADO 80121**
